School Parcels

Parent Dataset	Schools	**Contains Sensitive Data**	No
Department	Department of Planning and Development	**Sensitive Data Comments**	
Dataset Contact	darshna.patel@phila.gov (mailto:darshna.patel@phila.gov)	**System of Record**	DataBridge
Description	The parcel locations of public (School District of Philadelphia), charter, private and archdiocesan schools in the City of Philadelphia. Please keep in mind that this data, particularly with regards to enrollment, is constantly changing or is not publicly available. If you have specific questions about a school, please contact that facility directly. This dataset includes the location of schools in the City of Philadelphia with attribute information for address, grade level, type, and status. The institution types are displayed by default using the following subtypes: district (public schools), charter and private (including archdiocesan).	**Format**	SDE Geodatabase
		Table/Layer Name	GIS_PLANNING.Schools_Parcels
		Classification	Public
		Metadata Classification	Public
		Metadata Last Updated	01/08/2024
		Data Last Updated	01/03/2024

Development Process	Point locations were identified by PCPC by geocoding the street addresses of the schools and matched to corresponding parcels or building footprints. Information was collected from the School District of Philadelphia, the Archdiocese of Philadelphia, Pennsylvania Department of Education, and the private schools.
Date Range	
Coordinate System	NAD_1983_StatePlane_Pennsylvania_South_FIPS_3702_Feet
Thematic Mapping	
Data Update Frequency	Annually
